A vertical line on the left side of the page, aligned with the center of the day labels, extends from the top of the 'Mon' block to the bottom of the 'Sun' block. From the right edge of this vertical line, seven horizontal lines extend to the right, each starting at the top edge of a day's colored block and ending at the top edge of the block below it. This creates a grid structure for scheduling activities for each day of the week.
